BENEFITS

Organizational Perspective (Reduction in costs and hence improvement in returns)

✓ Less Disruptive Delivery (Man-days available now that otherwise allocated to travel/training in the ILT mode)

✓ Reduced Travel Costs

✓ Easy Tracking of Learner Progress and Completion

Learners’ Perspective

✓ Immersive and Engaging Learning translates to better Assimilation. This in turn leads to proficiency gain and a tangible increase in productivity

✓ More learners across the organization can be trained in Lesser Time (they get the flexibility to learn at their own pace)

✓ Coupled with tracking, the eLearning initiatives can be scheduled and Completed Faster (compared to ILT sessions)
